socrative
by MasteryConnect

Welcome to Socrative! We are happy to have you in the community. Like you, we think it's important to visualize student understanding. That's why we've developed an easy-to-use tool for building assessments and seeing results in real-time. It's everything you need to improve instruction and help student learning.

Although it's a very intuitive tool, everything in life should come with a manual, so let's get started with ours:

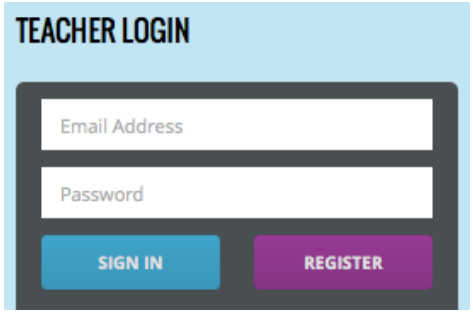
Register & Login	pages 2 to 8
Create & Edit Quiz	pages 9 to 16
Run Quizzes & Reports	pages 17 to 33

*Note – Socrative supports up to 50 students logged in at one time.

Register & Login

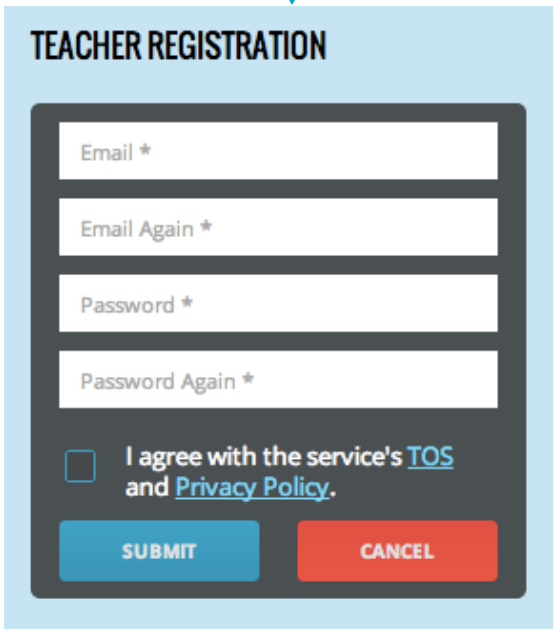
Register

If accessing through b.socrative.com or an app, select the purple “Register” button:



OR

Go to www.socrative.com and click “Teacher Sign Up.”

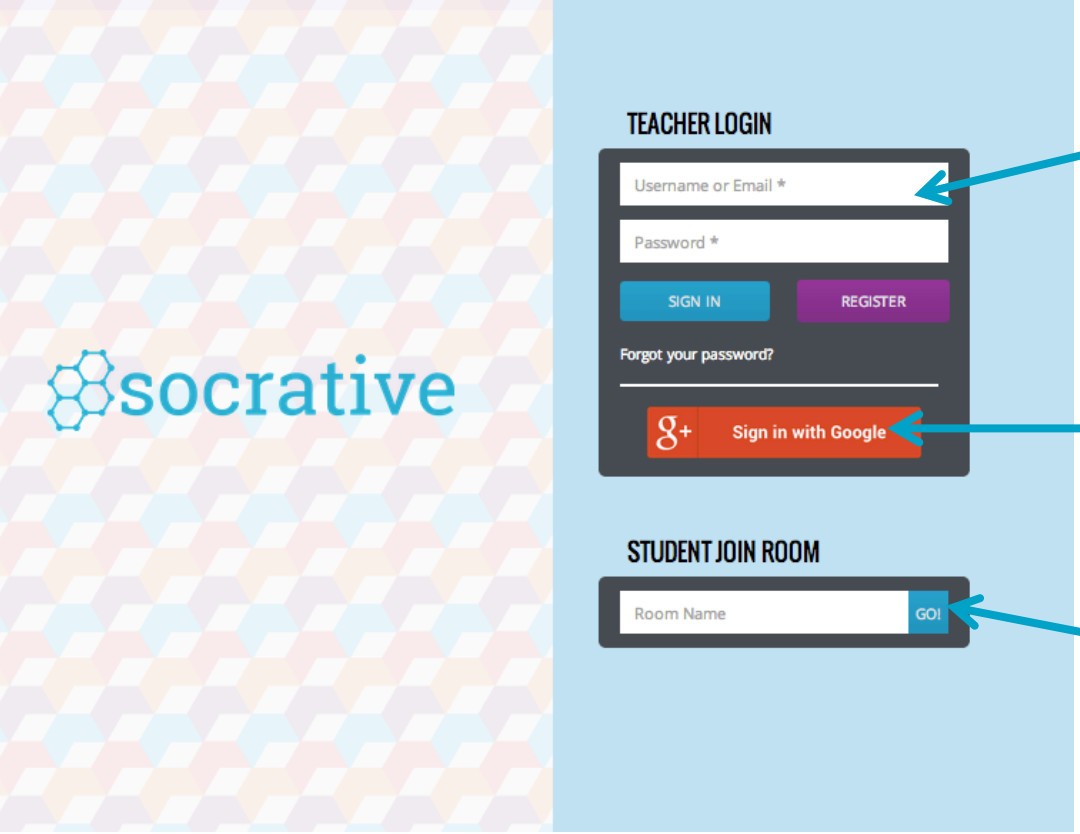


Enter an Email and Password. After that, you’ll receive a unique Room Code, which your students will use to access your activities.

Like this → ROOM: ebba6cfa

Log In

Visit socrative.com, b.socrative.com, or open your Socrative app:



Teachers enter their email and password

If you use a Google account email or Google domain email, you can log in with this

Students enter their teacher's unique **Room Code**

Or go to t.socrative.com (Teachers) and m.socrative.com (Students) to log in.

Your Dashboard

socrative

Room Code
Your students use this to log in.

Start a Quiz
Already have a quiz? Great! Start it here.

Quick Question
Low hassle, low prep questioning with dynamic results. We love it!

Space Race
Nothing better than intergalactic quiz travel.

Exit Ticket
Quickly check understanding before your students leave for the day.

Manage Quizzes
Do it all – create, edit, import, duplicate or delete quizzes, and view past Reports.

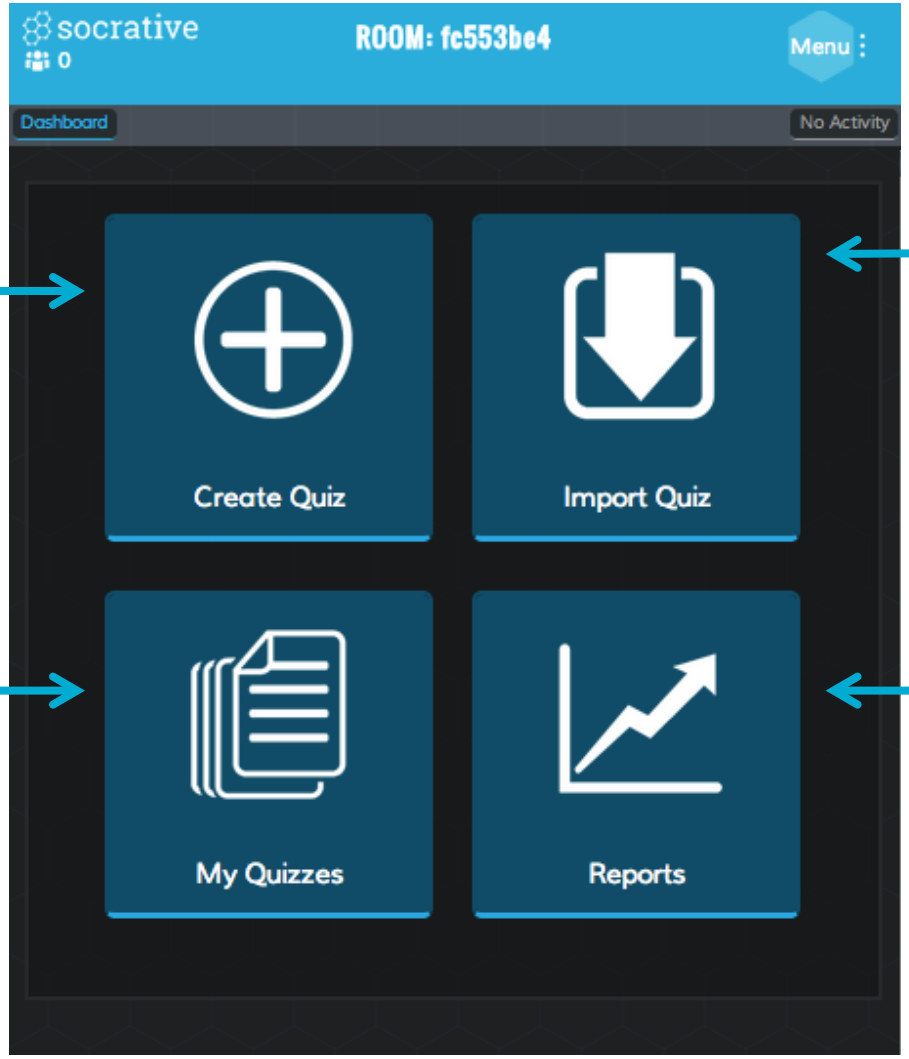
See all the reports from your prior assessments

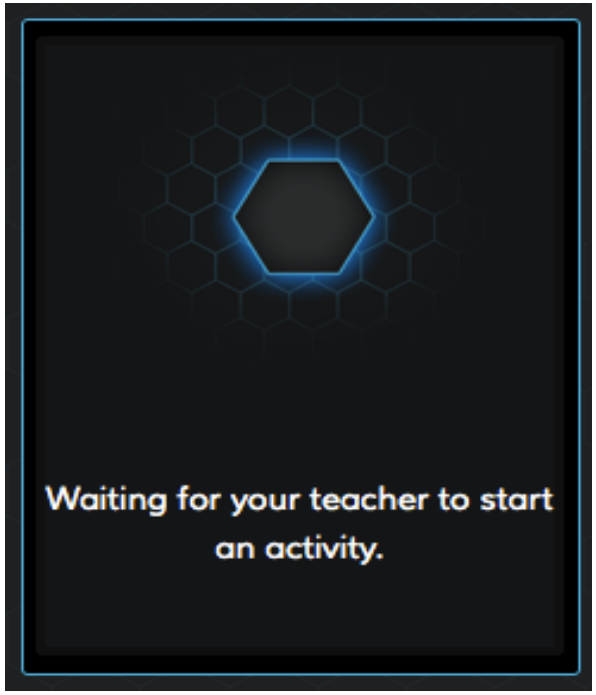


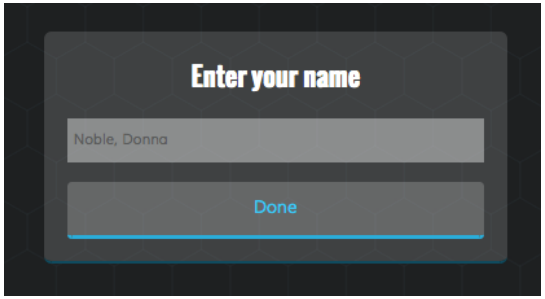
What Students See

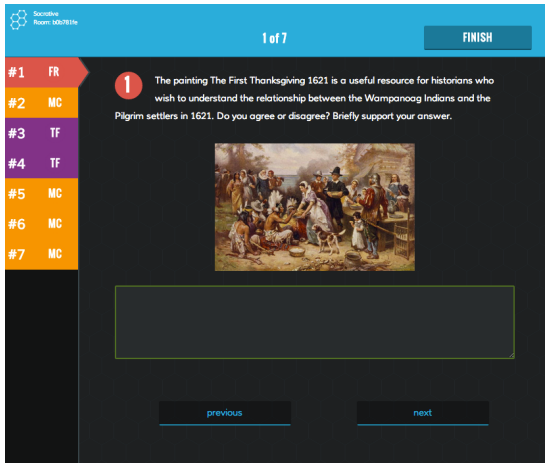
1. Students will see this screen before you start an activity or between activities.

2. Students will be prompted for their name if it is a quiz based activity or a quick short answer (or you can choose to disable names).

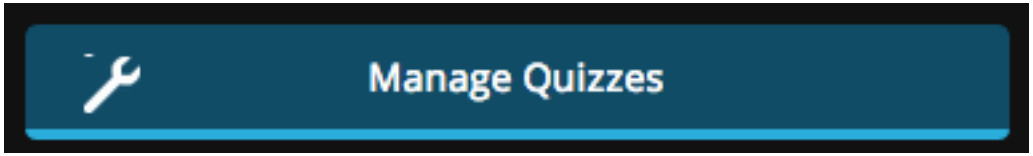
3. Students will then enter the activity. (example pictured is a student-paced quiz question)







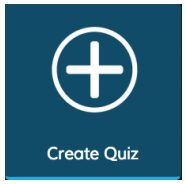
Create & Edit Quiz



Creating a Quiz

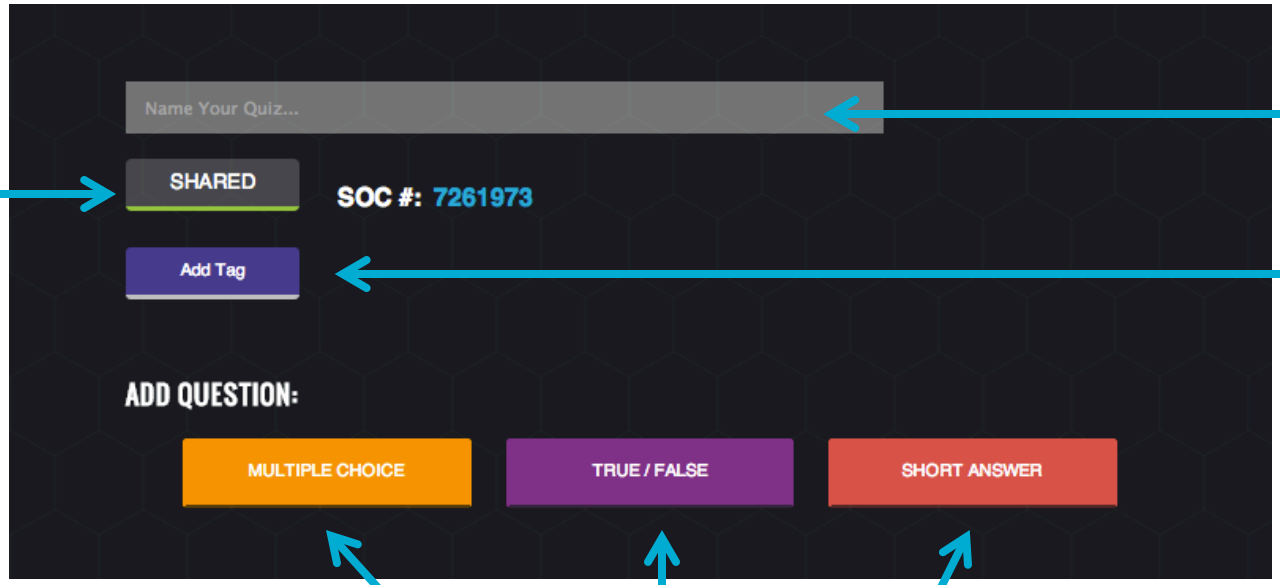
socrative

Select 



This is your Create Quiz interface:

When selected, your quiz is assigned a unique **SOC number**. You can give this to other teachers so that they have the quiz too. Gotta love collaboration!



Enter a name for your new quiz

Add a tag for the quiz (e.g. Common Core)

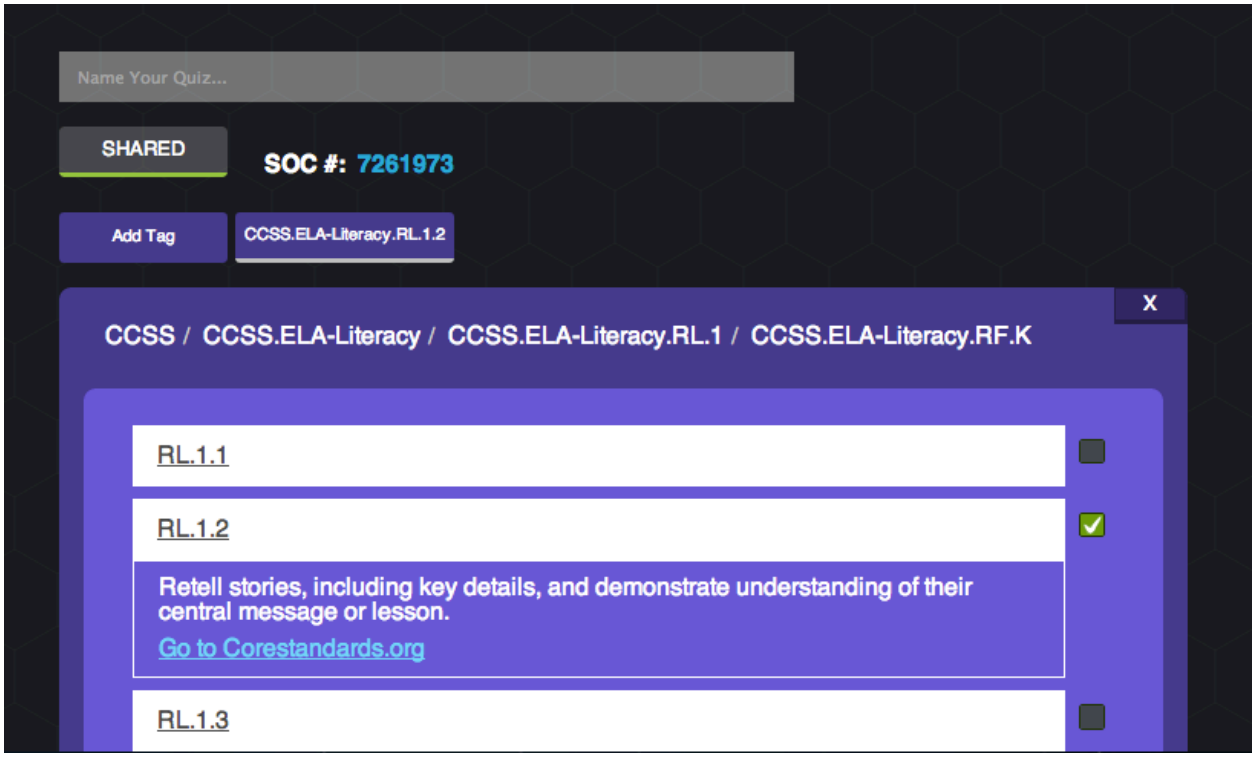
Add a question to your quiz. You will be able to delete and reorder.

Quiz Tagging

socrative

Adding a tag is easy!

Simply select “Add Tag” and navigate to the desired tag. Select individual tags to see descriptions or to navigate to the source of the tag. Add as many as you’d like.



Create Quiz – Multiple Choice

socrative

Select 
to add a Multiple Choice question to your quiz.

Enter answer choices

Add or Delete answer choices

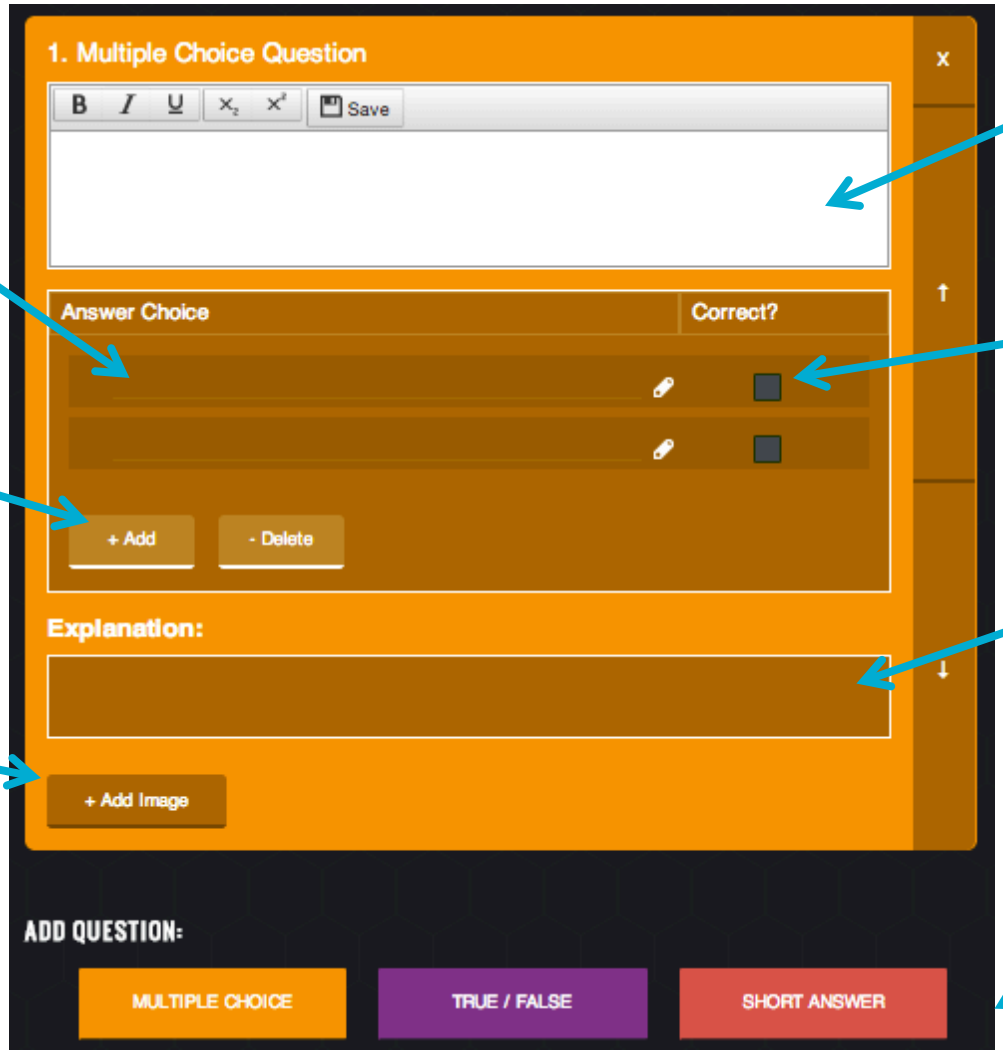
(Optional: Add an image to the question)

Enter question with rich text formatting

Mark answer choice(s) as correct

(Optional: Add an Explanation of the correct answer. This will display with immediate feedback.)

Add another question



Create Quiz — True/False

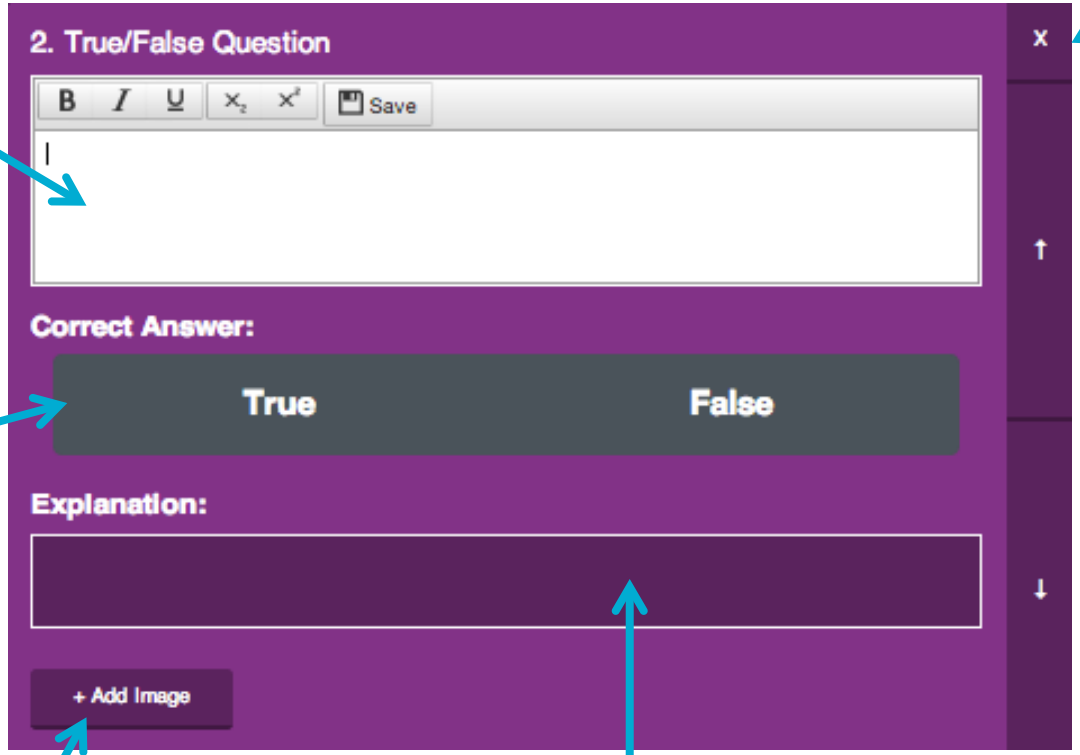
socrative

Select

to add a True/False question to your quiz.

Delete this question

Enter a question



Move a question up or down to reorder the quiz

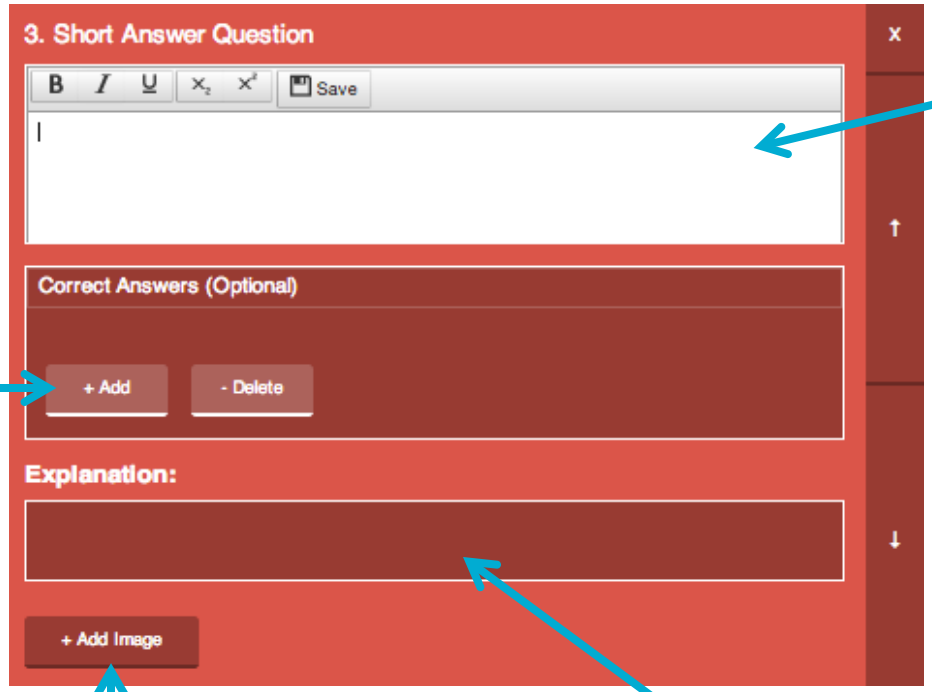
Select the correct answer (it will turn green)

(Optional:
Add an image to the question)

(Optional:
Add an Explanation of the correct answer. This will display with immediate feedback.)

Create Quiz – Short Answer

Select 
to add a Short Answer question to your quiz.



Enter a question.

Optional:
Add or Delete answer choices. If you decide to add correct answers Students must enter one of the exact terms you added. (This is not case sensitive.)

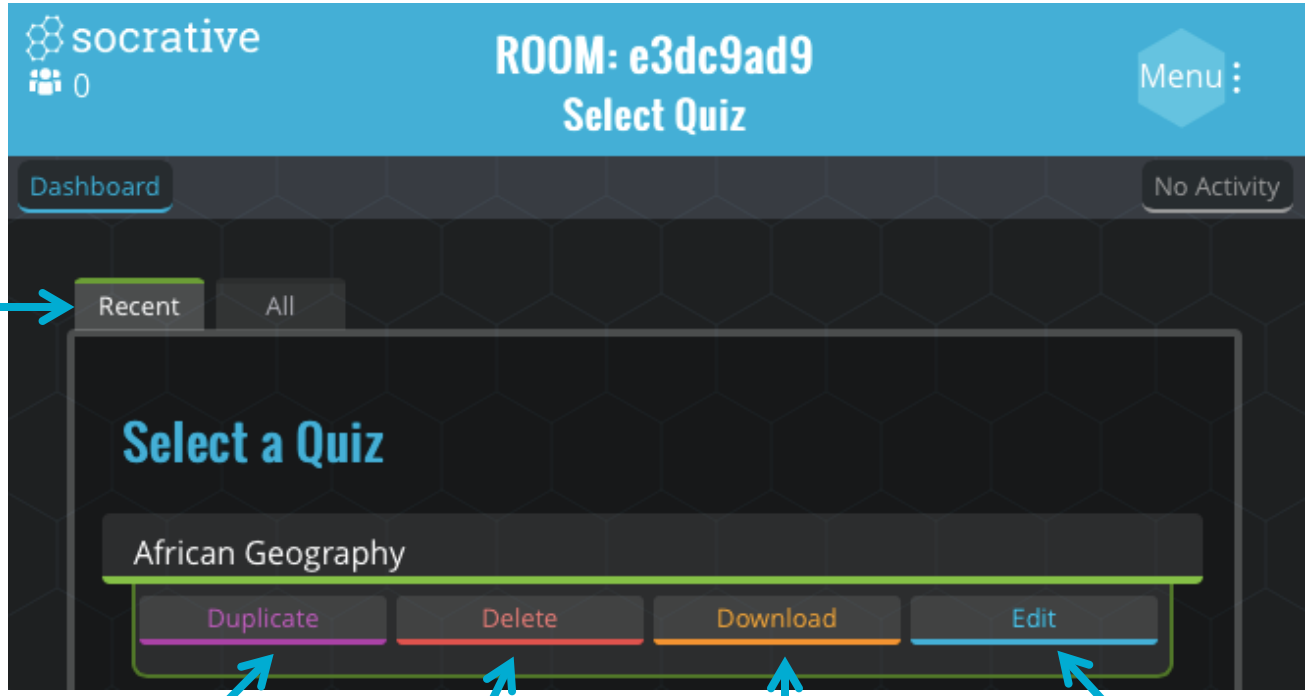
Optional:
Add an image to the question.

Optional:
Add an Explanation of the correct answer. This will display with immediate feedback.

My Quizzes

Select

Select “Recent” to just see your five most recent quizzes. Select “All” to see everything!



Make a copy of this quiz.

Permanently delete this quiz.

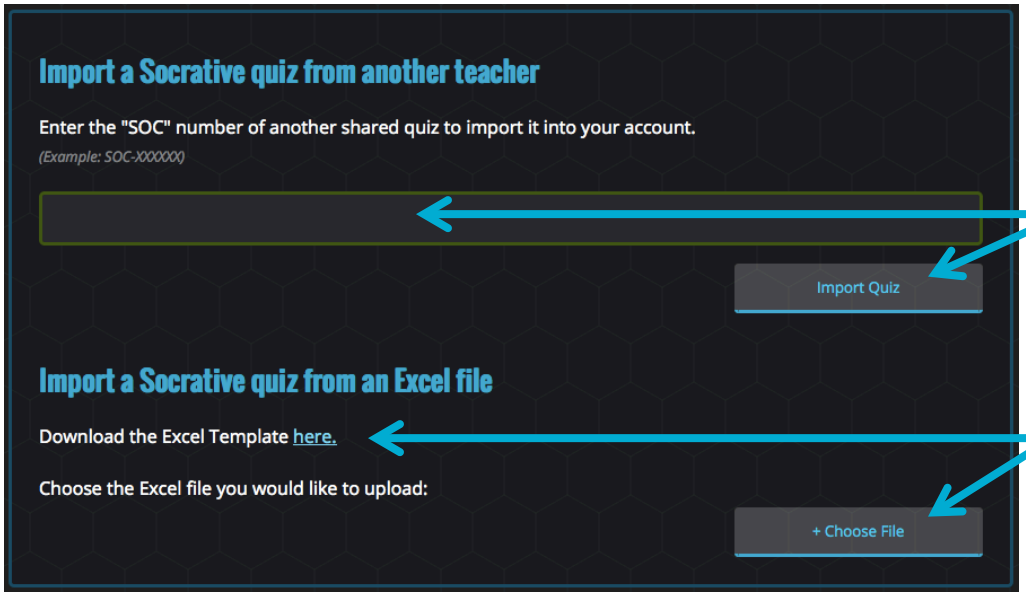
Download a printable PDF of this quiz.

Edit this quiz.

Import a Quiz

Select

Import a Quiz from a colleague or a member of your Personal Learning Network.



1. Enter the SOC code into the box
2. Select “Import Quiz”
3. Instantly available in your “My Quizzes” list

1. Download and complete the Excel template
2. Select “Choose File”
3. Locate the excel file on your computer
4. Instantly available in your “My Quizzes” list

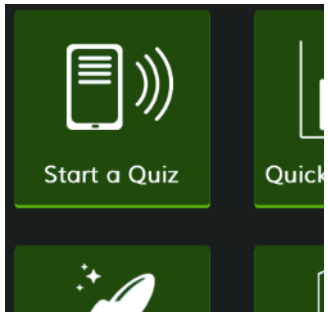
All Imported quizzes can be edited once you’ve imported them to your room.

Run Quizzes & Reports

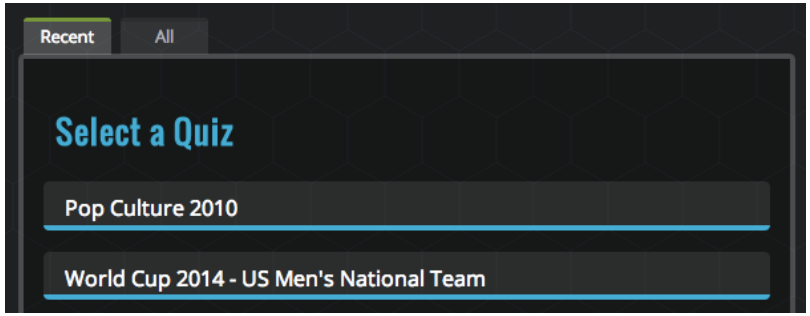
Start a Quiz

socrative

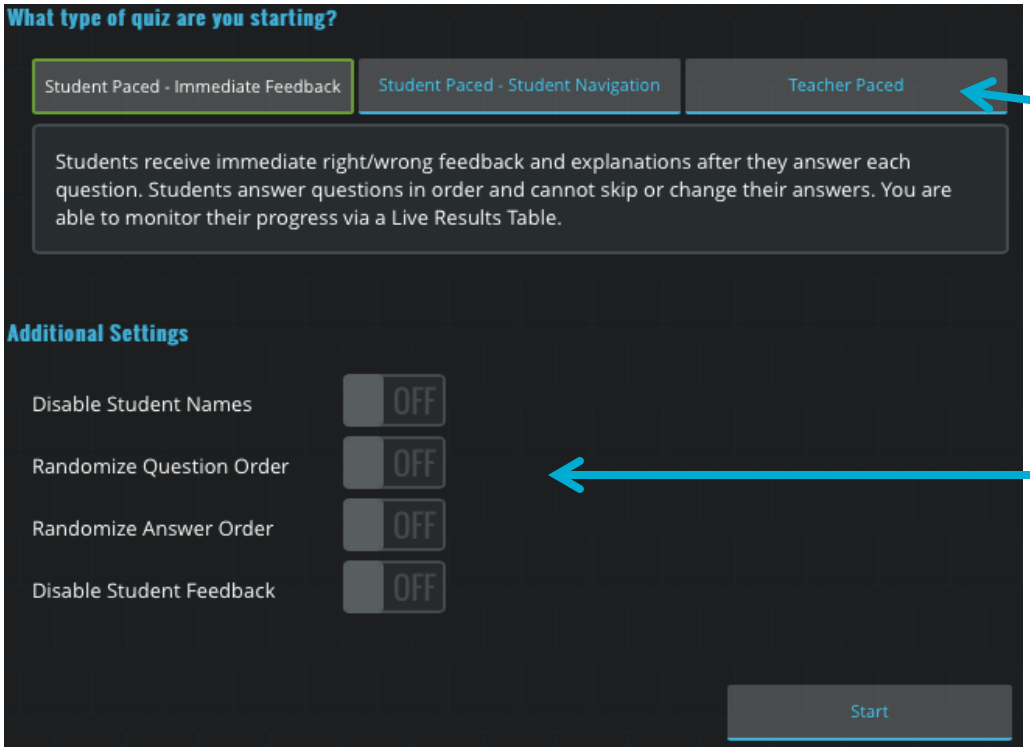
*Note – Socrative currently only supports up to 50 students in a room at one time.



1. From your dashboard, select “Start a Quiz”



2. Select your Quiz



3. Choose Quiz Type:

- Student Paced – Immediate Feedback
- Student Paced – Student Navigation
- Teacher Paced

(Learn more about each option by reading the description beneath the setting.)

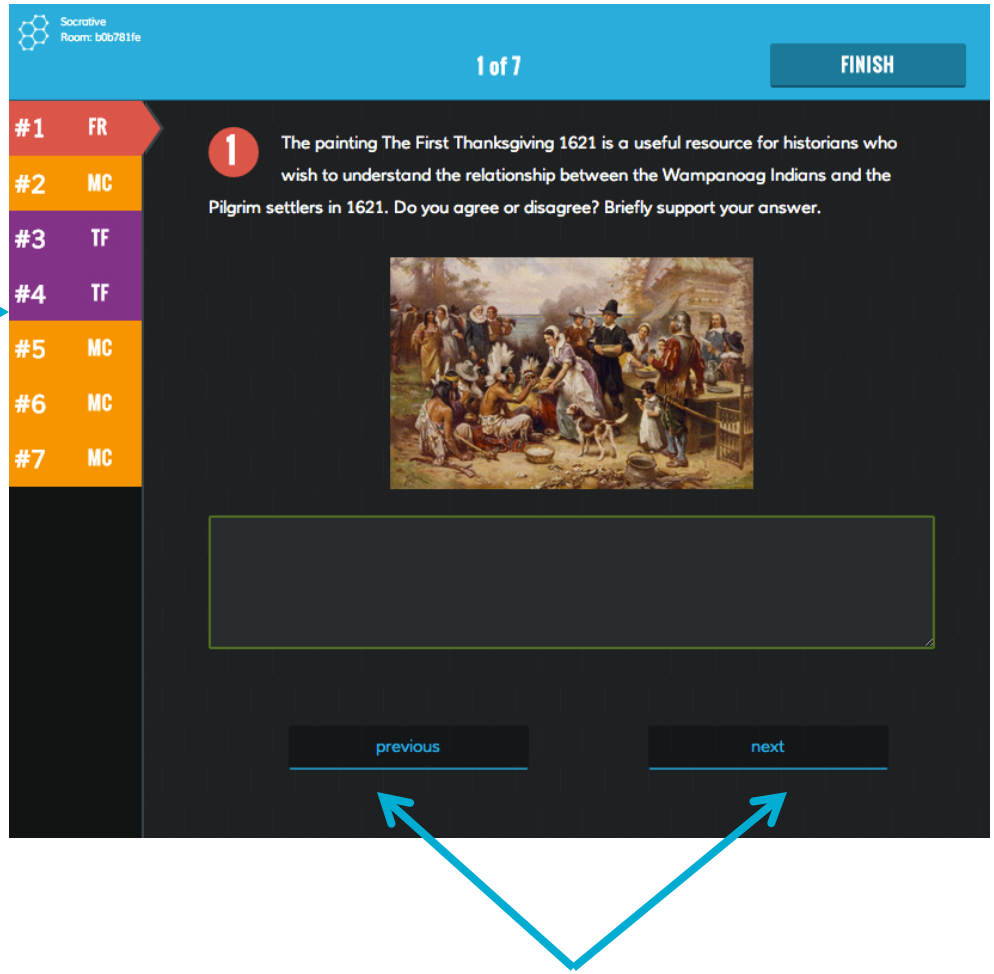
4. (Optional) Choose Additional Settings:

- Disable Student Names (Responses are anonymous)
- Randomize Question Order (Questions appear in a random order for each student)
- Disable Student Feedback (Students will not know if they got the question right or wrong during the quiz.)

Student Paced Quiz - What Students See

socrative

Students can navigate to any question at anytime. Answer, skip, review or edit, it's their choice!



Students select "Finish" to submit the entire activity to the teacher.

Students can navigate through the quiz one question at a time. Go forwards or backwards.

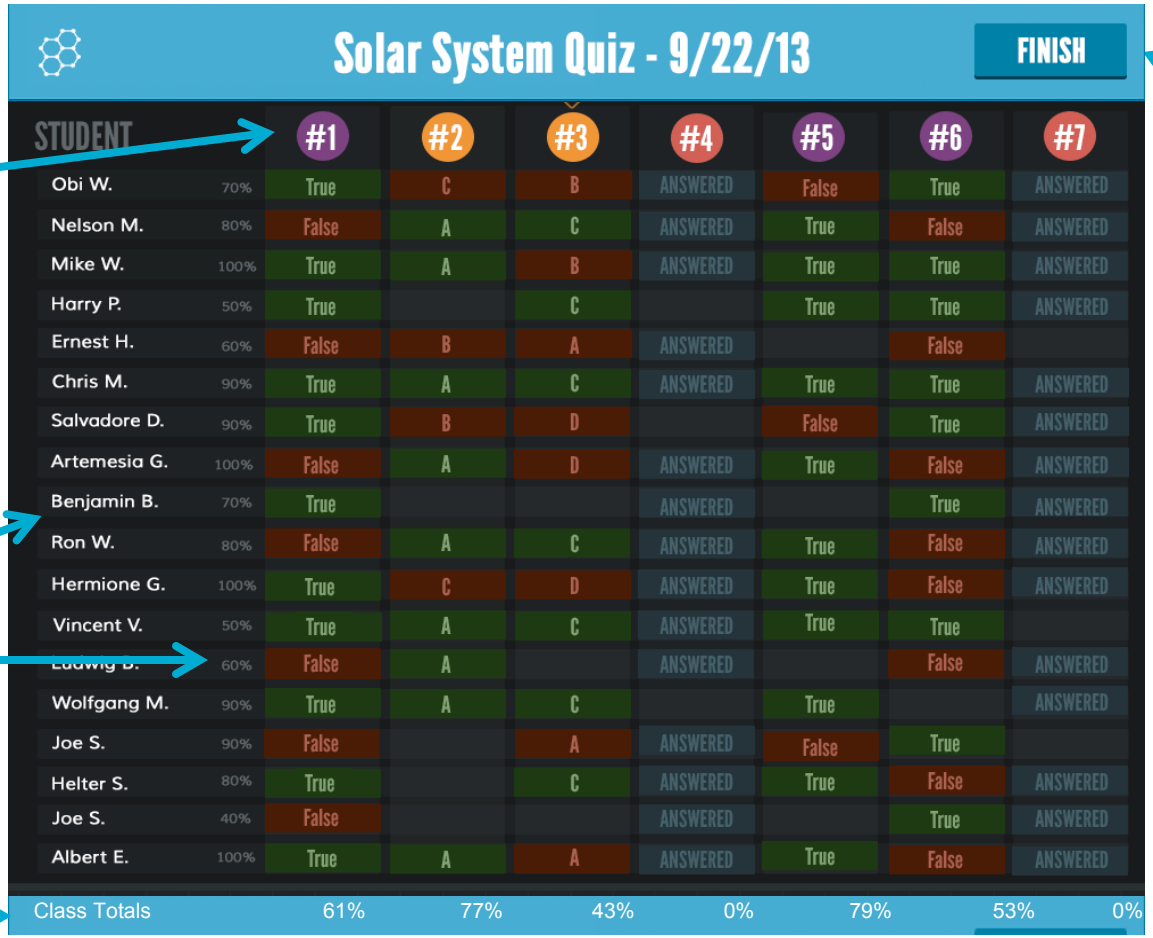
Student Paced Quiz - What You See

socrative

Click a question to see the results for that specific question.

Student names and current progress

Class % scores

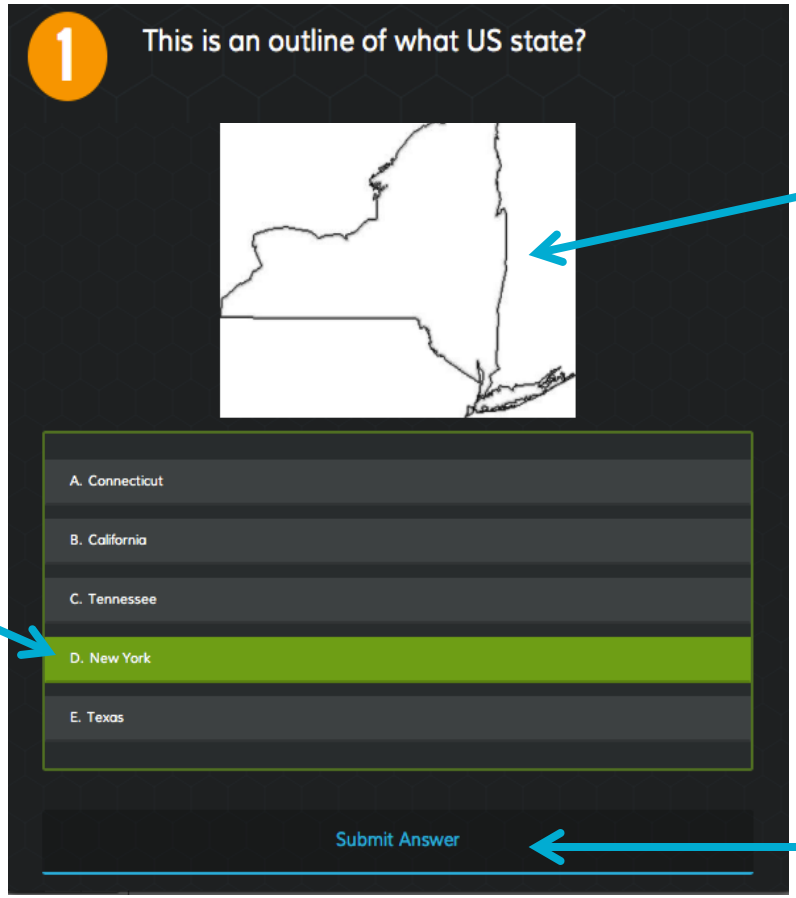


Select “Finish” to End the Activity and be prompted for your report

* Results will constantly refresh as students navigate through the quiz!

Teacher Paced Quiz - What Students See

Students will see the question with answer choices below:



(The image you uploaded when you created the quiz)

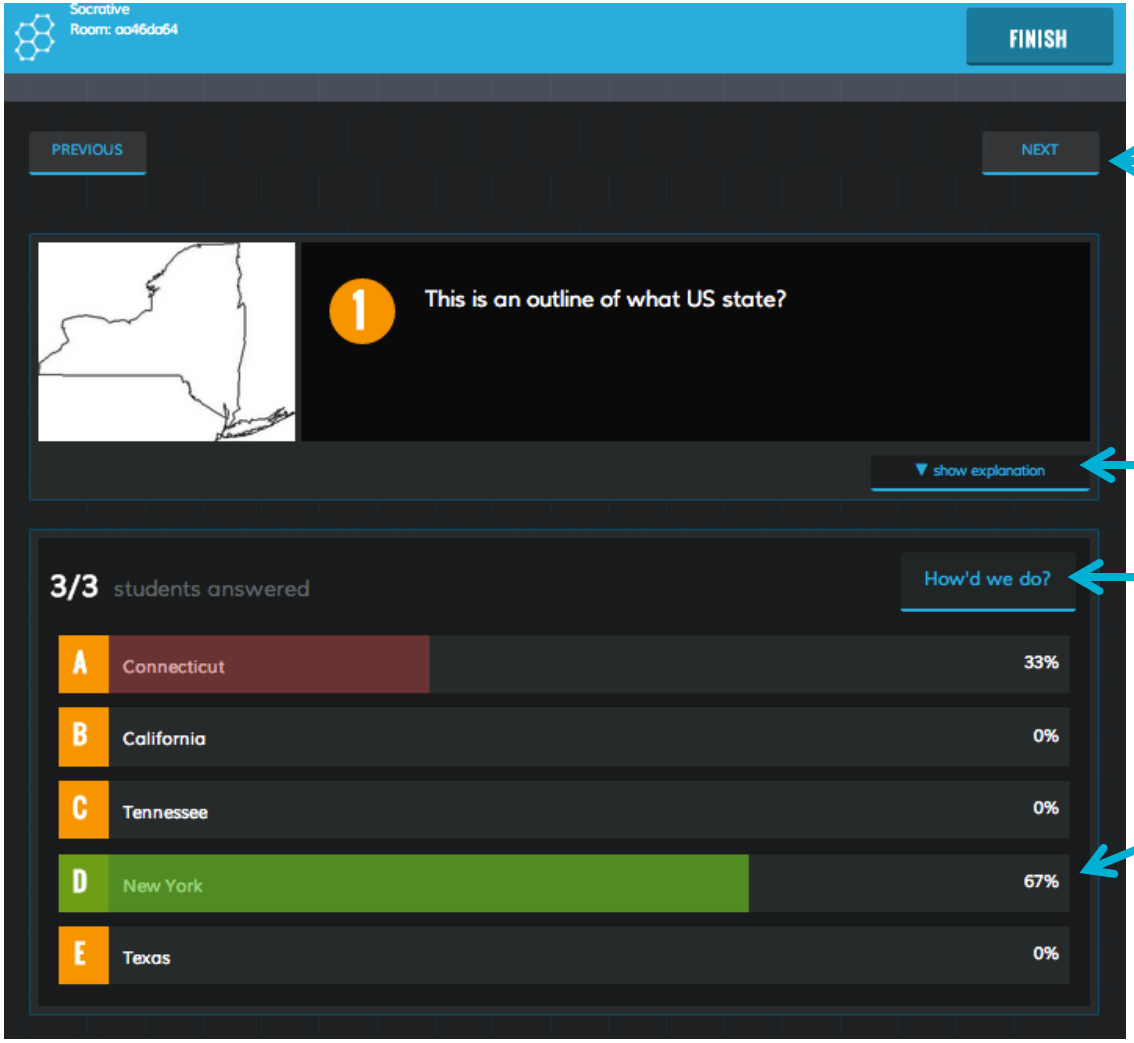
When a student selects an answer choice it will turn green

Students select “Submit Answer” to send their choice to the teacher. Students will then see the “Waiting for Teacher” screen.

Teacher Paced Quiz – What You See

socrative

Your screen will show the current question that your students are responding to:



Select “Previous” or “Next” to send the class a different question

Show/hide your pre-written question explanation

Select “How’d we do” to show/hide student data

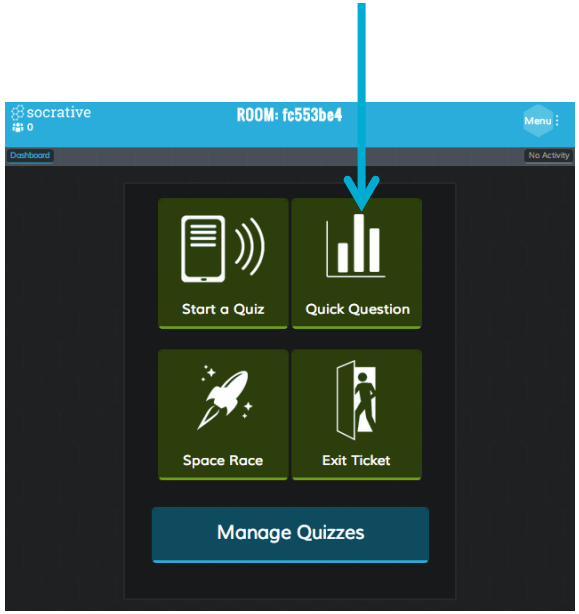
The correct answer will be highlighted Green. Each answer will show % of students who selected that answer choice

Quick Question

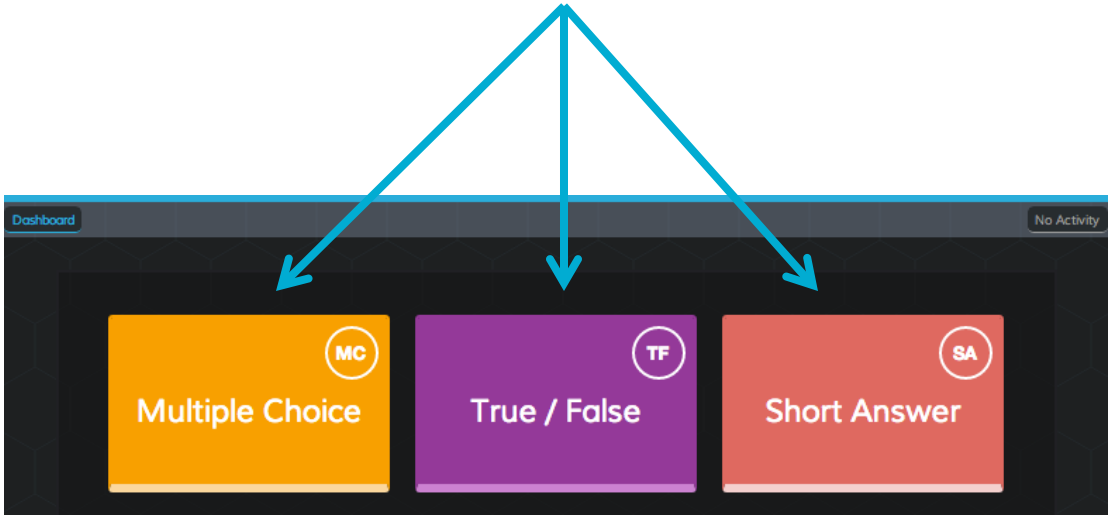
socrative

Send a Quick Question in just 2 clicks!

1. Select “Quick Question” from your Teacher Dashboard.

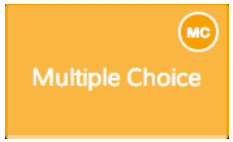


2. Select the question type that you want to send to your students

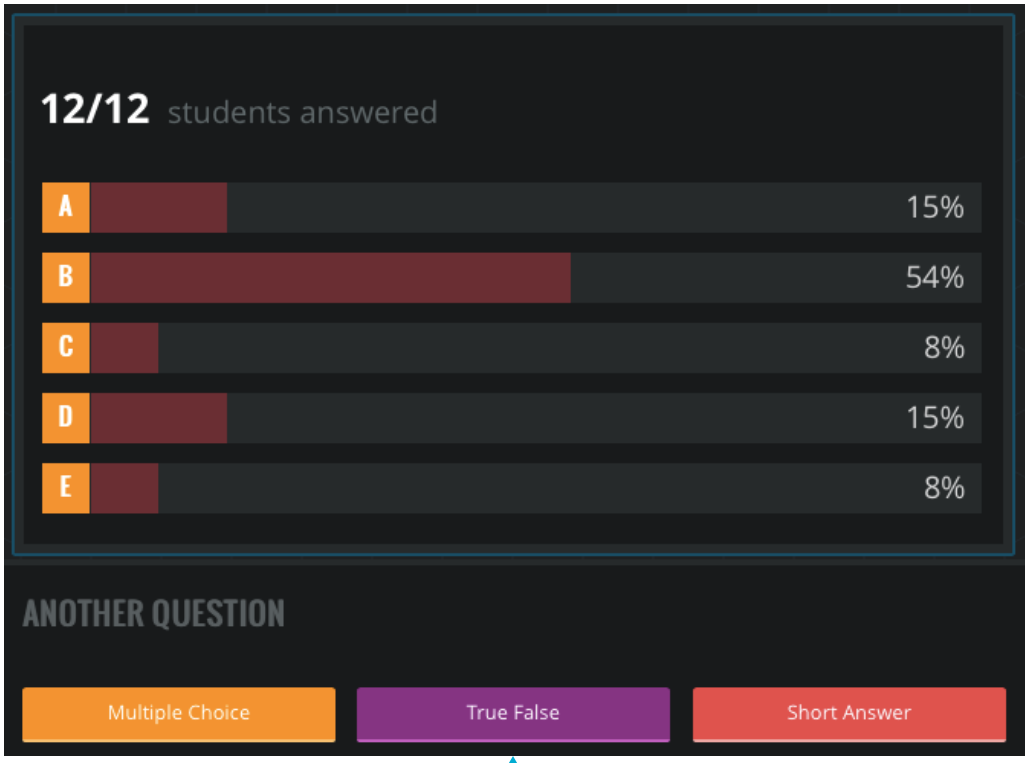


Quick Question – Multiple Choice

socrative

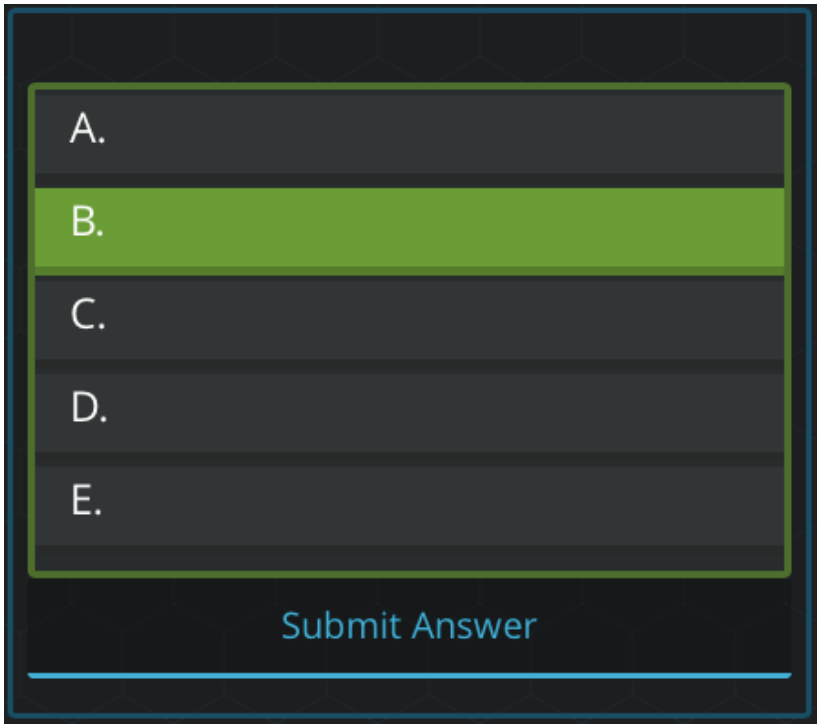


Teacher View
Instant Results



Select to send another Quick Question

Student View
Select your Answer Choice
then select “Submit Answer”



Quick Question – True/False

socrative

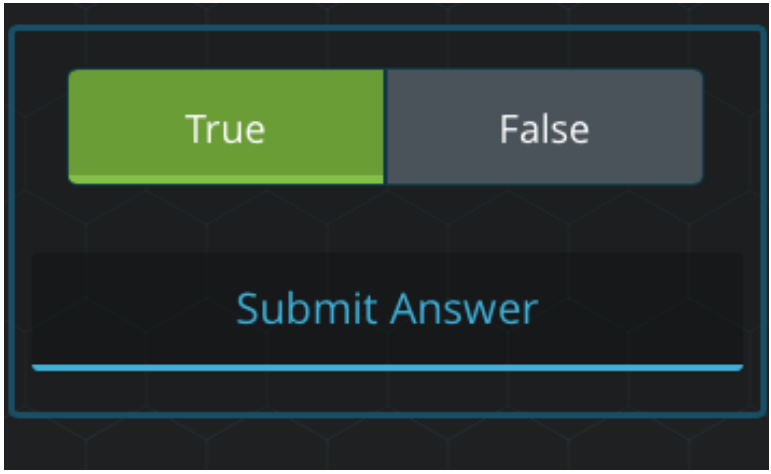
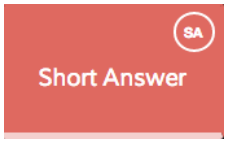
Select to send another Quick Question

Student View
Select your Answer Choice
then select “Submit Answer”



Quick Question – Short Answer

socrative



Teacher View

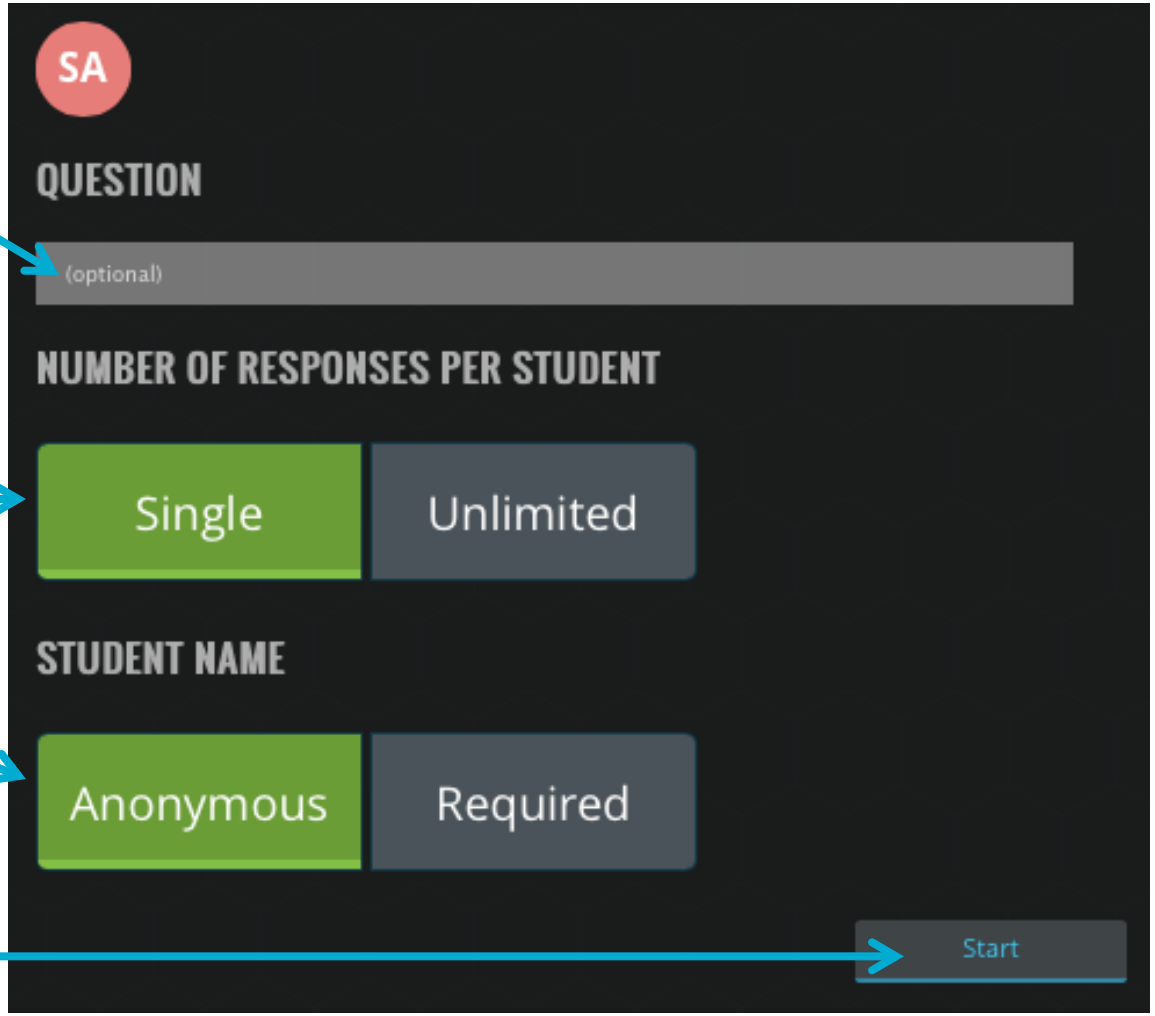
Short Answer Set-up

(Optional – Type a Question to be displayed for you and students)

Select how many responses students can enter

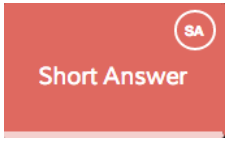
Select if you want to require students to submit their name (student answers will always display anonymously to first)

Select “Start”

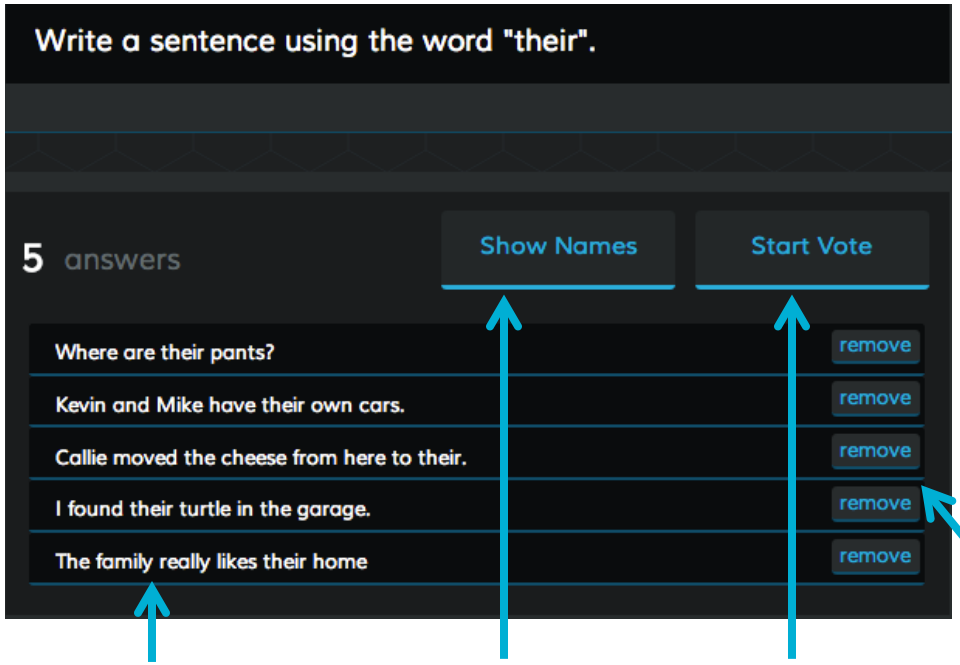


Quick Question – Short Answer

socrative



Teacher View
Instant Results



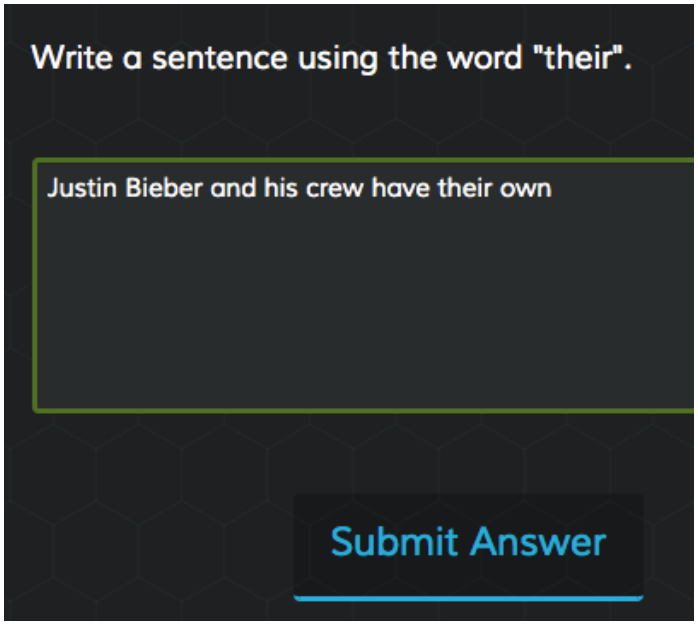
See Student Answers

Show/hide Student Names

Have students vote on the responses

Permanently Remove a Student Answer

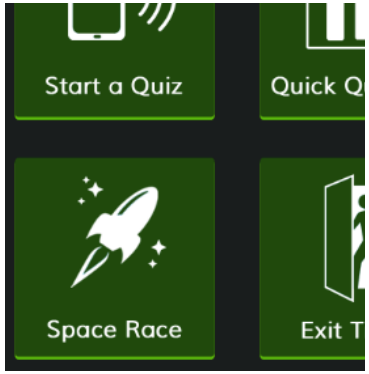
Student View
Type in your Answer then select "Submit Answer"



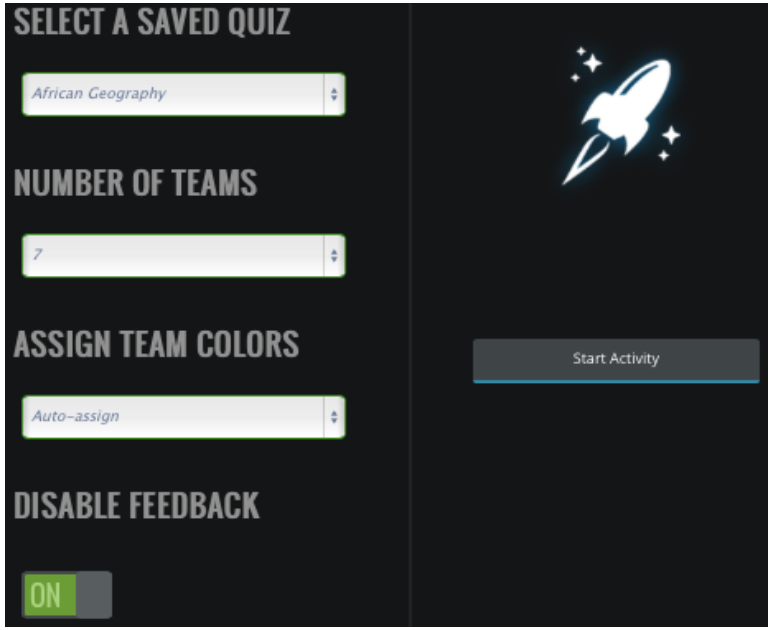
Space Race

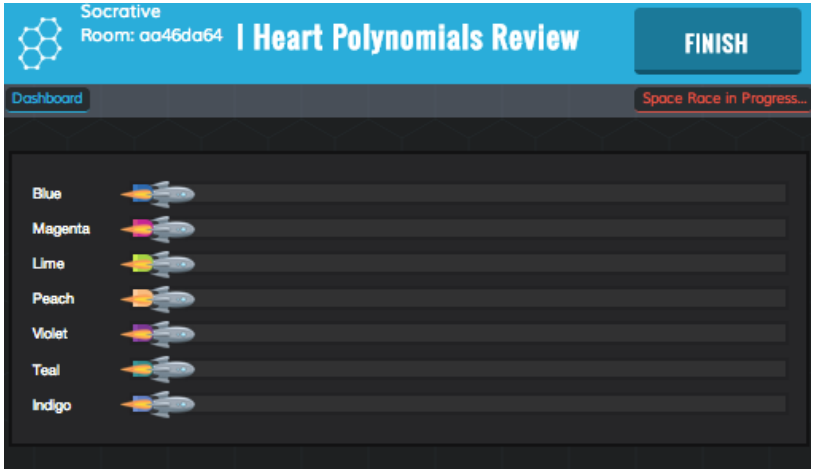
socrative

1. From your dashboard, select “Space Race”



2. Choose a Quiz, Number of Teams, Assign Team Colors and Disable or Enable Immediate Feedback, then “Start Activity”.



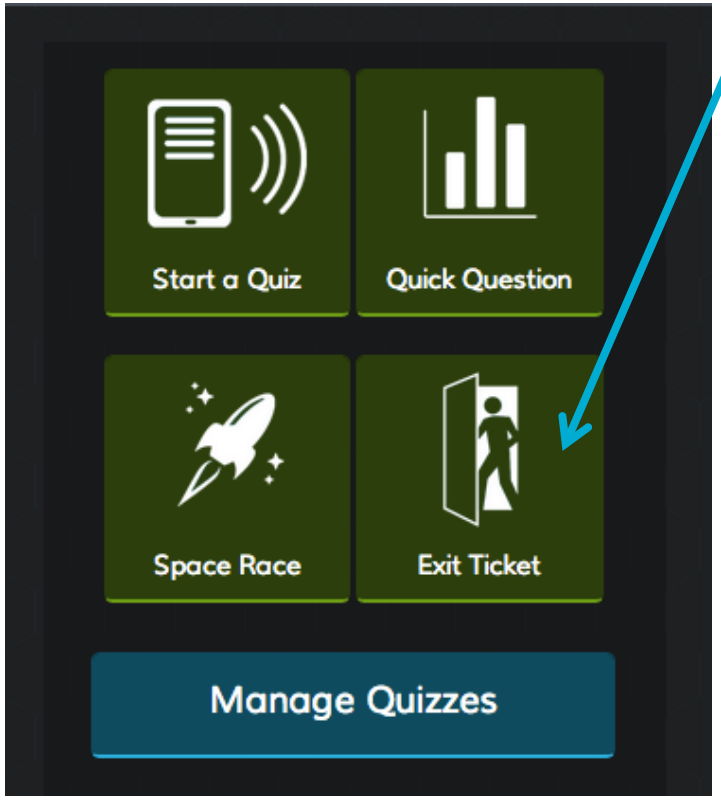


3. Watch the Rockets race as students work in teams to answer questions!

4. You’ll be prompted about a report after the activity is completed

Exit Ticket

socrative



1. Select “Exit Ticket” from your Teacher Dashboard

2. Students will be sent the pre-set 3 question formative assessment

Enter Last Name, First Name (pop–up box)

1. How well did you understand today’s material?
   A. Totally got it.
   B. Pretty well.
   C. Not very well.
   D. Not at all.

2. What did you learn in today’s class?
(Opportunity for students to put in their own words the main takeaways from class. Your opportunity to make sure they recognized all your learning objectives.)

3. Please answer the teacher’s question.
(Opportunity for you to ask any question that’s relevant in the moment)

3. You’ll be prompted about a report after the activity is completed

Reports

socrative

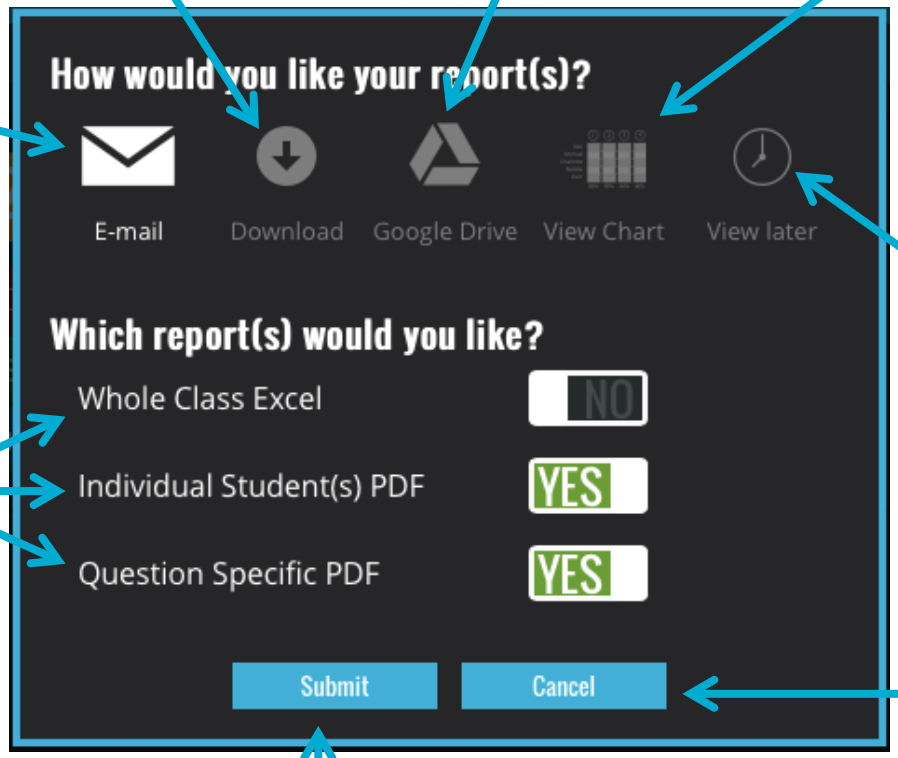
1. Decide how you would like to receive your reports (Choose one from the available methods)

Download the selected reports

Have the selected reports sent directly to your Google Drive

End activity but return to the live results data view (The report will still be in "My Reports")

Send the selected reports to your email



Don't instantly receive a report. (The report will still be in "My Reports")

2. Decide which type of reports you want (see Report Types on next page)

Press "Cancel" to return to the activity

Press "Submit" to execute

Report Types

socrative

Whole Class Excel YES
